

Top 10 Reasons...

Why Jabra should be your next headset.

1. BETTER SOUND – BETTER BUSINESS.

Our headsets just sound better. We build superior headsets with high quality speakers that deliver the best sound for every conversation, every time.

2. OUR WIRELESS HEADSET EXPERIENCE.

We have developed a full range of wireless office headsets to help you meet the demands of the modern office. The wireless headset untethers you from your desk, allowing greater comfort and productivity.

3. OUR HEADSETS ARE FUTURE PROOF.

Jabra offers headsets that are optimized for IP telephony. We have IP headsets for softphones, hard phones or both. Wireless or corded. We even offer headsets that work with traditional telephone systems now, yet are ready for IP systems when you upgrade.

4. OUR AMPLIFIERS ARE THE ULTIMATE IN SOUND QUALITY.

Our amplifiers enhance the quality of calls by reducing background noise and providing a consistent volume level.

5. OUR DURAFLEX™ CORDS AND CABLES.

The most reliable and durable in the industry, our DuraFlex cables are virtually indestructible, ensuring that every conversation is static-free.

6. OUR LIGHTWEIGHT HEADSETS PRODUCE HEAVY-DUTY SOUND.

Our headsets are about 20% lighter than the competition, yet they deliver the best quality sound and durability available.

7. OUR HEADSETS PROVIDE A CUSTOM FIT.

Our headsets adjust to your head and face, so you always get a comfortable, custom fit that lasts and lasts.

8. OUR HEADSETS ARE STYLED TO FIT EVERY USER.

Choose from a variety of different wearing styles, booms, microphones and sound in one or both ears. You can customize your headset to match both the office environment and technical properties of your phone.

9. OUR TWO-YEAR “NO FINE PRINT” WARRANTY FOR CORDED HEADSETS.

When you build a better product, you can provide the right warranty. We invented the Two-Year, No Fine Print, Warranty—because our products last, even in the toughest call center environment. Why settle for less?

10. THEY'RE SOUND.

Every Jabra headset is built for reliability and durability. Our headsets are designed, tested and built to endure the toughest office environments.
